

NHSAST

## Certificate of Participation

National Higher School of  
Autonomous Systems  
Technologies

NEST Robotics  
Hackathon 2025

- This certificate is awarded to Amwer Tabeche in recognition of their education and ingenuity in NEST Robotics Hackathon 2025. Through their commitment to innovation and problem-solving, they have contributed to shaping the future of robotics and artificial intelligence.

- With appreciation from the AST Team, we celebrate their role in this journey of excellence and collaboration.

Date: April 2025
